

Voice Acting

I'm a hobbyist voice actor available for different types of productions:

- Games
- Documentation
- Audiobooks
- and more

You can already hear my voice in these productions:

- MDNA games' Carol Reed series – different characters
 - **Profound Red**
 - **The Birdwatcher**
 - **The Fall Of April**
 - **Geospots**

I've created a **voice reel** with some samples.

If you like my voice and want it to be in your next production, don't hesitate to contact me at **va.dennis@dieploegers.de**

Game developer

I'm interested in creating point and click adventures or narrative games in general under the label „deep entertainment“. Check out the games I made by visiting my **[itch.io](#)** page.

The Letter by deep entertainment

Musician

I'm also a musician playing various instruments from the guitar, base guitar, piano, drums to flute and also a singer.

My productions:

- **German folk duo Liáh**
- **My solo productions and songs**
- Various productions not available online

Actor

In my part time I'm part of the ensemble of the **Waldbühne Heessen**, a hobbyist open air theatre with high quality productions.
